1 TAKE A LOOK

Tuck one of these sleek

magnifiers into your pocket or purse and you'll never struggle to read small print on bills, labels or prescriptions. It also has a light that makes it great for reading books

under the covers and perfect for reading theatre and play programmes.

Its low powered LED technology means that the light will last for ages. **JML £4.99** 0871 2222 631

2 BETTER BREW

The new Bosch Private Collection Brita coffee maker and kettle see Bosch and Brita team up to give British coffee and tea lovers their best-tasting cuppa yet. The Bosch Private Collection coffee maker is the FIRST filter coffee maker on the UK market with an integrated Brita Maxtra — and that simply means better coffee. The Private Collection Brita coffee maker and kettle are available in a stylish black. The set is completed by the 2 slice toaster. **Bosch from £19.99** 0870 727

4 IN FOCUS

Since launching the first steam iron in 1957, Rowenta has revolutionised

household chores. High quality German manufacturing has provided Rowenta with a renowned reputation for premium products and intelligent beauty. The Focus range includes the most agile steam iron, which deals with difficult to iron areas on all garments. It features a unique chrome tip that allows for precise ironing, optimum control and easy glideability into pockets and inbetween buttons. The autosteam function even maintains the ideal steam pressure for garments. **Rowenta, £34.99 - £44.99** 0845 6021454 www.rowenta.co.uk
